Sir,

I have the honor to forward herewith a draft copy of Notification in English and Kannarese regarding the proposed extension of Hassan Town in the Eastern and Western directions and to request that the said notification may kindly be caused to be published in the Gazette.

The Superintendent of the Press may kindly be asked to send 100 spare copies of each of the notification for publication locally as laid down in section 8 of the Municipal Regulation

I have the honor to be,
Sir,
Your most obedient servant,

for Deputy Commissioner
Hassan District

Gaz. 4 ERL 184-21-1 71

HASSAN DISTRICT

Notification dated 12 July 1921.

It is hereby notified for the information of the public that the Town Municipal Council of Hassan have resolved to extend the boundary of the Municipality of Hassan in the Eastern and Western directions as particularized hereunder And under Section of the Municipal Regulation all persons who have any objection to the above proposal of the Municipal Council may present their objections with the reasons therefor in writing to the Deputy Commissioner, Hassan District, within two months from the date of this notification

East

Starting from the South Western corner of the Beeranahalli tank bund where the old boundary line demarcates to the south the proposed new boundary line towards the east, runs east along the southern bund of the Beeranahalli tank to a little distance, then the line runs along the boundary line of the kodi of the above said tank after which it runs along the southern borders of survey Nos 76, 75, 83, 84, 6 and 5 of Aduvalli village Here the line runs south along the eastern borders of survey Nos 4 and 3, then crossing Hassan Arsikere Road, it passes along the western and the southern borders of survey Nos. 13, 12 and 11 after which the line runs along the northern side of the Hassan-Channarayapatna Road until it meets the Railway level-crossing near the lane leading to Kathalli village Here the line crosses the Hassan-Channarayapatna Road, passes along the southern edge of the Hassan-Channarayapatna road until it runs as far as the waste Weir of Govanahalli tank where descending South it runs along the southern borders of Survey Nos 73, 58 and 330 till it meets the north eastern borders from here the line descends South passing along the eastern borders of Survey Nos 121 of survey Nos 121 90, 91, 8 and 9 turns west along the southern edge of the Mine to Rajaghatta village Enclosing

Rajaghatta village the line ascends north along the Western borders of Survey Nos 90, 121 and 330 and runs west along the southern borders of Survey Nos. 31 and 35 and the northern boundary of the Channapatna tank bund till it meets the old boundary line of the north east corner of Channapatna tank bed on the Bangalore-Mangalore Road

West

Starting from the old boundary line on the Bangalore-Mangalore Road near the bridge to the waste weir channel of Hungsinkere tank the proposed boundary line to the west runs along the southern edge of Bangalore-Mangalore road until it reaches the north-eastern corner of Survey No. 12 of the Chikkamandigana Halli village near the bridge at Thanneerahallada Matta Then the line descends south and west along the southern boundary lines of Survey Nos 12, 9,6, and 5 enclosing the Chikkamandigenahalli koppal, and ascending north from this point, it crosses the Bangalore-Mangalore road meeting the north western corner of Survey No 10 Then, running along the northern border of Survey No 10, the line meets the south-western corner of Survey No 362 of Chikka-Mandigenahalli village from which it runs along the western northern and eastern borders of Survey No. 362. Passing along the western border of the Hungsinkere sluice channel it runs along the northern borders of Survey No. 365 and 366 after which it descends south and meets the old boundary line near the bridge of the Waste weir channel of Hungsinkere tank

Sir,

Adverting to your letter No L 5630/M 104-24-3 dated the 28th March 1922, returning the proclamation re the extension of the Hassan Town Municipality for giving wide publicity, I have the honor to state that the proclamation was duly published on the 18th April 1922 both in the Official Gazette and locally as required by Sec 8 (1) of the Municipal Regulation and as a result, two applications, one from the villagers of Aduvalli and its dakla Yanaghatta and the other from Chilkundiganahalli were received protesting against the inclusion of the villages within the municipal limits, as such inclusion would cause them great inconvenience These applications were considered in a meeting of the Municipal Councillors held on the 31st July 1922 and it was resolved that the objection of the Aduvalli villagers was untenable in as much as, no inconvenience would be caused by the inclusion of the village within the municipal limits and that it was desirable to bring it under the operation of the Municipal Regulation in the interest of health and sanitation, as the village is [illegible] to

(12

Hassan Railway Station With regard to the objection of ~~X~~ Chikkamandigana alli villagers, it was resolved to t the boundary line so as to exclude the village from the municipal limits The draft notifications wit ecessa ry alterations are herein enclosed in duplicate for kind approval of Government

IV Read the resolution of the Hassan Town Municipal Council dated 15-4-1922 stating that necessary instructions may be taken to publish the proclamation regarding the extension of the Hassan Town Limits both in the Official Gazette and locally, as desired by the Revenue Secretary in his letter dated 21-3-[illegible]

The proclamation in accordance therewith published both in the Official Gazette and locally and objections received from the villagers of Aduvalli and Chikkanahalli Hamlets were enclosed

Resolution - The objections raised by the villagers of Adivalli and Pagagatta have no force These villages are close to the Hassan Municipal limits and in the interests of the Municipal Revenue, it was necessary that they should be included

As regards Chikkanahalli Hamlet, the boundary

proposed may be shifted so as to exclude the village and run along the Southern boundary of the Bangalore Mangalore road

HASSAN TOWN MUNICIPALITY

Extension of the Eastern and Western boundaries of Hassan Town Municipality, as sanctioned in Government Order No dated

East.—Starting from the south-western corner of the Beernahalli tank bund where the old boundary line descends to the south, the proposed new boundary line towards the east runns east along the southern bund of the Beernahalli tank to a little distance, then the line runs aloong the boundary line of the kodi of the above said tank after which it runs along the southern borders of Survey Nos. 5, 6, 75, 76, 83 and 84 of Aduvalli village. Here the line runs south along the eastern borders of Survey Nos. 4 and 3, then crossing Hassan-Arsikere road it passes along the western and southern borders of Survey Nos. 13, 12 and 11 after which the line runs along the northern side of the Hassan-Channarayapatna road until it meets the Railway level crossing near the lane leading to Kaluhalli village. Here the line crosses the Hassan, Channarayapatna road, passes along the southern edge of the Hassan-Channarayapatna road until it runs as far as the waste weir of Govenahalli tank where descending south it runs along the southern borders of Survey Nos. 78 80 and 330 till it meets the north-eastern border of Survey No. 131 From here the line descends south passing along the eastern borders of Survey Nos. 131, 90 91, 89, turns west along the southern edge of the lane to Bajaghatta village. Enclosing Bajaghatta village, the line ascends north along the western borders of Survey Nos. 90, 131 and 330 and runs west along the southern borders of Survey Nos. 31 and 35 and the northern boundary of the Channapatna tank bund till it meets the old boundary line at the north-east corner of Channapatna tank bed on the Bangalore-Mangalore road.

West.—Starting from the old boundary line on the Bangalore-Mangalore road near the bridge to the waste weir channel of Hunasinakere tank, the proposed boundary line to the west runs along the southern edge of Bangalore-Mangalore road until it reaches the north-western corner of Survey No. 6 of the Chikkamandugenahalli land descending north from this point it then crosses the Bangalore Mangalore Road and meets the south-western corner of survey No. 10, and runs in a north westerly direction along the western boundary thereof. Then turning east, it runs along the northern border of Survey No. 10 and meets the south-western corner of Survey No. 362 from which it runs along the western, and northern borders of Survey No. 362. Passing along the western border of the Hunasinakere sluice channel it runs along the northern borders of Survey Nos. 365 and 366 after which it descends south and meets the old boundary line near the bridge of the waste weir channel of Hunsinakere tank.

Vice President

HASSAN TOWN MUNICIPALITY

Extension of the Eastern and Western boundaries of Hassan Town Municipality, as sanctioned in Government Order No dated

East.—Starting from the south-western corner of the Beernahalli tank bund where the old boundary line descends to the south, the proposed new boundary line towards the east runns east along the southern bund of the Beernahalli tank to a little distance, then the line runs along the boundary line of the kodi of the above said tank after which it runs along the southern borders of Survey Nos. 5, 6, 75, 76, 83 and 84 of Aduvalli village. Here the line runs south along the eastern borders of Survey Nos. 4 and 3, then crossing Hassan-Arsikere road it passes along the western and southern borders of Survey Nos. 13, 12 and 11 after which the line runs along the northern side of the Hassan-Channarayapatna road until it meets the Railway level crossing near the lane leading to Kaithalli village. Here the line crosses the Hassan, Channarayapatna road, passes along the southern edge of the Hassan-Channarayapatna road until it runs as far as the waste weir of Govanahalli tank where descending south it runs along the southern borders of Survey Nos. 73 50 and 330 till it meets the north-eastern border of Survey No. 121 From here the line descends south passing along the eastern borders of Survey Nos. 121, 90, 91, 89 turns west along the southern edge of the lane to Rayaghatta village. Enclosing Rayaghatta village, the line ascends north along the western borders of Survey Nos. 90, 121 and 330 and runs west along the southern borders of Survey Nos. 31 and 35 and the northern boundary of the Channapatna tank bund till it meets the old boundary line at the north-east corner of Channapatna tank bed on the Bangalore-Mangalore road.

West.—Starting from the old boundary line on the Bangalore-Mangalore road near the bridge to the waste weir channel of Hunasunakere tank, the proposed boundary line to the west runs along the southern edge of Bangalore-Mangalore road until it reaches the north-eastern corner of Survey No. 2 of the Chikkamandigannahalli village and ascending north from this point it then crosses the Bangalore Mangalore road and meets the south-western corner of S. No 10, and runs in a north westerly direction, along the western boundary thereof. Then turning east, it runs along the northern corner of Survey No. 10 meets the south western corner of Survey No. 362 from which it runs along the western, and northern borders of Survey No. 362. Passing along the western border of the Hunasinakere sluice channel it runs along the northern borders of Survey Nos. 365 and 366 after which it descends south and meets the old boundary line near the bridge of the waste weir channel of Hunasunakere tank.
